The ARISE Japan-Philippines KSS was planned to enrich the ARISE Japan experience by taking advantage of the ‘opportunities’ side of Covid, i.e. the online environment. Answering ARISE Japan members’ wishes to connect and converse directly with counterparts abroad, ARISE Japan and ARISE Philippines planned a series of intimate dialogues focused on the four ARISE Priority Areas, with an ARISE Japan member company contributing simultaneous text translation tools in-kind. The KSS was held immediately prior to the winter meeting, so that members could take advantage of both sessions in a single sitting.
