

### **Workshops for Local Authorities - Resilient Action**

**Objective:** Promote articulation with all organizations and services in risk situations. Share know-how and experiences and expose each other's missions and competences in catastrophe situations.

**What has been done so far:**

- Traffic accident drill (organized by Amadora's fire department) – January 2019;
- Webinar – Rethink strategies to increase community resilience – March 2019;
- CASCADE19 exercise – May 2019;
- Leroy Merlin drill – October 2019;
- LIVEX 19 drill – December 2019
- Webinar – Trauma in hospital emergency – May 2021
- XV Conference – International Risk Reduction Day – October 2019 and October 2021;
- First aid (for Amadora's city hall employees) – October 2021 and November 2021;
- Event – Occurrences, risk and climate - Amadora's Local Strategy 2021 – 2030;
