

# Sendai Framework Voluntary Commitment

## “Resilience in the tourism sector: ARISE Japan Activity Plan 2019-2022”

### Progress Report Deliverable #1

ARISE Japan 

October 2022

#### Commitment:

ARISE is a UNDRR-led network of private sector entities, whose members voluntarily commit to align with the Sendai Framework. ARISE Japan is the network based in Japan. This SFVC is ARISE Japan’s Action Plan for 2019-2022.

#### Deliverable:

##### 1. ARISE Japan Public Symposiums - 3 events by 2022

Host ARISE Japan Public Symposium around the anniversary of Great East Japan Earthquake, March 11. One event per year, in March. Three events by 2022.

#### Outputs: This deliverable is completed, as of report date, through the outputs below

March 2022

##### ARISE Japan Public Symposium 2022: Creating disaster resilient communities by ‘going local’ in DRR
