

Senior Academy for Civil Protection – Public DRR Events for Elderly Population

Senior Academy for Civil Protection participate and assist in awareness-raising actions, which took place both on the street and in public and private institutions. In these actions they talk to people about the risks and how they can protect themselves from them.

Examples of awareness-raising actions carried out by Senior Academy for Civil Protection agents:

- **“Walk to raise awareness”** – Walk by senior agents, with other civil protection agents, where they distributed flyers to the population and in the parish councils with self-protection measures from the risks that most affect the population of Amadora;
