

Senior Academy for Civil Protection – Local and National Good Practice

The work produced by the Senior Academy for Civil Protection of Amadora has already been distinguished several times by various entities through awards and recognition, such as:

- **Sasakawa Award (2017)** - A collaboration between UNISDR and the Nippon foundation, this is an acknowledgement attributed yearly to a personality or institution, to honor its implementation of good practices in the matters of resilience and risk reduction. Amadora's Senior Academy for Civil Protection received this award in 2017 for its work with the most vulnerable population in Amadora, particularly the senior academy for civil protection;
